CAPSTONE PROJECT 2 TIMELINE			
DATES		**ACTIVITIES**	**DOCUMENTS**
August	17-21	**ORIENTATION** On the first week of classes, a general orientation will be conducted where this Capstone Project Manual will be discussed again. All students will then be required to secure the Oath of Confirmation pertaining to the receipt of copy and discourse about the said manual. This form will be submitted on the set deadline/due date.	**Oath of Confirmation** (following Appendix O) to be submitted not later than August 24, 2026
	24-28	**CAPSTONE PROJECT Advisers Forum** Each team adviser must meet his/her teams in one' setting. General and specific issues and concerns must be reported and settled. Furthermore, if there are changes or the Dean and Subject Teacher approve team regrouping, a new duly signed copy of the Team Composition Form must be secured and submitted to the Subject Teacher.	**Capstone Project Team Composition Form** (using Appendix B) **Acceptance of Capstone Project Adviser** (using Appendix C) **Capstone Project Final Title** (using Appendix F) **Capstone 2 Approval Sheet Template** (using Appendix U) to be submitted not later than September 1, 2026
September	1-4	**Finalization of the LIST OF MODULES** The Project Manager and his/her team must finalize the List of Modules. The adviser must check that the same list is anchored from the title, objectives and scope.	**System Proposal Sheets** (following Appendix Z) **List of Modules** (using Appendix N) *(duly approved by the Adviser and noted by the Subject Teacher)* to be submitted not later than September 7, 2026
	7-11	**SYSTEM Designing, Development, and Testing** **ADVISER-TEAM Consultation** The team will continue doing formal consultations with their adviser. The team is required of at least three (3) prototype consultation cycles imposing the extent of completion of modules. The adviser and the project manager will affix their signatures in each formal consultation.	**List of Modules** (using Appendix N-as a guide) **Capstone Project 2 Consultation Logs Form** (using Appendix P) 1st Prototype (30%-50%) due on September 18, 2026 2nd Prototype (51%-70%) due on September 30, 2026 3rd Prototype (71%-100%) due on October 16, 2026
	14-18		
	21-25		
	28-30		
October	5-9		
	12-16		
	19-23	**ORAL DEFENSE MANUSCRIPT Finalization** The manuscript for Capstone 2 must be completed and finalized by the team and their adviser.	**Capstone Project 2 Manuscript** (following Appendix Q) to be submitted a week before assigned schedule of oral defense
	26-30	**ORAL DEFENSE PRESENTATION Preparation** The oral defense presentation must be prepared well by the team. It must strictly follow the set outline and rules.	**Capstone Project 2 Oral Defense Presentation Outline and Guidelines** (following Appendix R) to be prepared a week before the oral defense
November	3-6		
	9-13	**ORAL DEFENSE Week** During the proceedings, the adviser and the team will take note of all the recommendations of the Oral Defense panel.	**Capstone Project 2 Consultation Logs Form** (using Appendix P) The adviser will be made to endorse whether or not they are allowed to defend their project or not **Oral Defense Rules and Mechanics** (using Appendix S) to be used during oral defense
	16 - 20		
	23-27	**SKILL TEST Week** This is an individual grade component that assesses a student's problem-solving, critical thinking, and technical/programming skills to ensure that he or she is prepared to enter to the industry. **MANUSCRIPT Revisions** The team and adviser will ensure that all the recommendations will have been incorporated in the Revised Oral Defense Manuscript with the corresponding title page. The same title page template will be used for the hardbound cover page. **SYSTEM OUTPUT Revisions** The team then implements all the recommendations not only the manuscript but also the important system or output. The said revisions will be bases of' the panel member(s) in the signing of the Approval Sheet.	**Capstone Project 2 Manuscript** (following Appendix Q) **Capstone 2 Approval Sheet Template** (using Appendix U)
December	1-4	**CAPSTONE PROJECT COLLOQUIUM Preparation** The College will then select Capstone Projects worthy to be highlighted in either a college-organized colloquium and/or externally-organized ICT research events/congress.	IMRaD Template for project and poster presentation
	7-11	**Submission of ORAL DEFENSE HARDBOUND with IMRaD** After all the panel members and signatories have signed the approval sheet, the team then has to have the entire oral defense manuscript hard bounded. The color of the hardbound is VIOLET with GOLD TEXT.	The hardbound together with the USB flash drive will be submitted to the Subject Teacher.
